Reminder: EPRINC/IER The Debate Over Automobile Fuel Efficiency Regulations Virtual Workshop  
MONDAY, July 27

## **EPRINC/IER Virtual Workshop Invitation:**

# **Understanding the Safer Affordable Fuel-Efficient (SAFE) Rule for Automobiles**

**July 27, 2020**

**10:00 AM - 11:30 AM EDT**

10/10/2020

Dear Colleague:

The Energy Policy Research Foundation and the Institute for Energy Research will jointly host a virtual workshop on the recently adopted regulation setting fuel efficiency requirements for passenger cars and light trucks. The workshop will take place on July 27, 2020 from 10:00 a.m. to 11:30 a.m EDT on the Zoom

Please click the button below to register today!

platform.

**Register Now**

Join current and former officials from the U.S. Environmental Protection Agency (EPA), National Highway Transportation Safety Administration (NHTSA), representatives from the auto industry, EPRINC and IER staff, and a cross section of stakeholders for a detailed discussion of this new rule and its broader implications for energy markets and the future of the U.S. auto industry.

**Workshop  
Agenda**

In order to participate in the workshop, you must register by clicking [here](#) or the green "Register Now" button to the right and entering your information. You will receive a confirmation info with the Zoom link to the workshop.

A copy of the agenda can be found [here](#).

Best regards,

Lucian Pugliaresi  
President, EPRINC
